**SPECIALIZED AGENCIES OF THE UN AND THE PROTECTION OF
THE RIGHTS OF THE CHILD**

In paper on the basis of existing in legal literature and international practice differences are analyzed in detail the specialized agencies of the UN and the protection of the rights of the child. Although children's rights require specific regulation according to purpose and functional features, human rights are the main factor in regulation of child rights. One of the priority areas of the government and international society is an implementation of legal policy, which is aimed at protecting rights of children and their legitimate interests.
