**ADMINISTRATIVE AND LEGAL GUARANTEES FOR THE  
IMPLEMENTATION OF THE HUMAN RIGHTS FUNCTION IN  
UKRAINE**

The article is devoted to the study of administrative and legal guarantees of the implementation of the state's human rights function.

The essence of legal guarantees is revealed and administrative-legal are highlighted among them. It is argued that administrative and legal guarantees for the protection of the rights, freedoms and legitimate interests of a person and a citizen and administrative and legal guarantees for the protection of the rights, freedoms and legal interests of a person and citizen are separate types of administrative and legal guarantees.

It was stated that the administrative and legal guarantees of the implementation of the human rights protection function are a special type of general category of "administrative and legal guarantees". Proposed by administrative-legal guarantees of realization of human rights function to understand regulated by administrative-legal norms human rights activities of public authorities, aimed at creating the appropriate conditions for the restoration of violated law, elimination of obstacles to its implementation, elimination of the real threat of violation of subjective rights by illegal actions and application to

violator of measures of legal coercion. The signs of administrative and legal guarantees of realization of human rights protection function are presented.

It is emphasized that the current state of guarantee of protection of rights, freedoms and legitimate interests of a person and a citizen gives grounds to assert about the presence of a whole range of problems in the direction of realization of human rights protection functions in Ukraine. Therefore, administrative legal guarantees for the implementation of the human rights function need to be updated, the result of which should be proposals for improving the system of administrative and legal guarantees and the solution of existing problems in this area.
