PROHIBITION OF DISCRIMINATION AND PROTECTION OF THE RIGHTS OF PERSONS WITH DISABILITIES IN THE INTERNATIONAL CONTEXT OF HUMAN RIGHTS: AZERBAIJAN REPUBLIC AND INTERNATIONAL PRACTICE

Disabled people are considered as the most vulnerable part of society in the modern world. In this regard, international documents and legislation of the most countries acts covers the norms concerning protection, promotion and realization of their human rights and basic freedoms. Prevention and elimination of discrimination of the disabled people being a part of the same documents. Legislation of the Republic of Azerbaijan partly reflects these issues. It is necessary to concern that the problems of social defense of people with disability have also regional specifications. That is why problems of defense human rights of the disabled people are reflected in many regional documents. It is purposeful to implement the solutions of the European Court on Human Rights and other practices. To guarantee an equal right for disabled people should be continued the practice of promotion and forming plans, programs and events on national, regional and international levels.

Keywords: disabled person, child, woman, discrimination, social support, vulnerable groups of population, integration, rehabilitation, adaptation, illness, equal opportunities, occupation, actual equality, distinction, exclusion, advantage, restriction, physical and mental disorder, health.
